SCHEDULE - 14**1. SIGNIFICANT ACCOUNTING POLICIES****(a) BASIS OF PREPARATION OF FINANCIAL STATEMENTS :**

The financial statements are prepared as a going concern on historical cost convention and on accrual method of accounting in accordance with the generally accepted accounting principles, Companies Accounting Standards notified by the Central Government of India under the Companies (Accounting Standard) Rules, 2006 and the provisions of the Companies Act, 1956 as adopted consistently by the company.

(b) FIXED ASSETS

(c) DEPRECIATION

Depreciation on fixed assets is charged on straight line method as per the rates prescribed in schedule XIV to the Companies Act, 1956.

(e) USE OF ESTIMATES:

The presentation of financial statements requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of financial statements and the reported amount of revenues and expenses during the reporting period. Differences between the actual results and the estimates are recognized in the period in which the results are known/materialized.

(f) RETIREMENT BENEFITS

Provident Fund and Employees Pension Scheme Contributions are accounted for on accrual basis. Incremental Gratuity Liability on the basis of 15 days salary for each completed year service is charged to revenue. (h) TAXES ON INCOME

The provision for current taxation is computed in accordance with the relevant tax regulations taking into account available deductions and exemptions.

The tax effect of the timing differences that result between taxable income and accounting income and are capable of reversal in one or more subsequent periods are recorded as a deferred tax asset or deferred tax liability. They are measured using the substantively enacted tax rates and tax regulations as of the Balance Sheet date.

Deferred tax assets arising mainly on account of brought forward losses and unabsorbed depreciation under tax laws, are recognized, only if there is virtual certainty of its realization, supported by convincing evidence. Deferred tax assets on account of other timing differences are recognized only to the extent there is a reasonable certainty of its realization.

(i) CONTINGENT LIABILITIES

These are disclosed by way of notes on Account. Provision is made in the accounts in respect of liabilities which are likely to materialize after the year till the finalisation of accounts and have material effect on the position stated in the Balance Sheet.

(j) PROVISIONS AND CONTINGENT LIABILITIES:

The Company recognizes a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.
